The Apprehension of Mary Walcott aged about 17 years who testified
and saith that in the latter end of April 1692 there appeared to me the appe-
-ritions of a short old woman which touch me his name was goddy martin
and that she came from Ambsery who did most grievously torment and af-
flect me by pinching and all most choaking me to death urging me to write
his book or else threatening to kill me: but on the 2^d may being the day
of his examination she did most grievously torment and affect me
during the time of his examination for when she did ^{but} look personally
upon me she would strike me down or all most choak me to death: and
several times since the Apprehension of Susannah martin has most
grievously affected me by biting pinching and all most choaking me to
-death threatening to kill me if I would not writ in his book: also on the
-2 day of may 1692 being the day of his examination I saw the Apperitions
of Susannah martin goe and affect and hurt the bodies of missy
Lewes Elizabeth Hubbard Abigail Williams and Ann putnam Junr.
