

The deposition of Anne putnam jun<sup>r</sup> who testifieth and saith I have  
ben affected ever since the beginning of march with a woman that  
told me his name was willis and that she came from Topsfield  
but on the 22 April 1692 Sarah willis did most grievously torment me  
during the time of his examination and then I saw that Sarah willis  
was that very woman that told me his name was willis and also on  
the day of his examination I saw Sarah willis or his appearance most  
grievously tormented and affected Mary walcott Miry Leary and Abigail willis  
and severall times since Sarah willis or his appearance has most  
grievously tormented and affected me with variety of tortures as by pinning  
and pricking me and almost choking me to death
