

The deposition of Ann Putnam who testifieth and saith that I was
a considerable time afflicted by a woman that foote me her name was
Pett and that she came from north head but on the 31 May 1692
being the day of the examination of Wilmet Pett then I saw that
she was the very same woman that foote me her name was Pett and
she did most grievously torment me during the time of his exami-
nation for if she did but look on me she would strike me down or
almost choke me: also on the day of his examination I saw Wilmet
Pett or his appearance most grievously afflict and torment many
wobold Eliz. Hubbard Eliz. Both and Abigail Williams: and I very
believe that ~~the~~ Wilmet Pett is a witch and that she has often afflicted
me and the aforesaid persons by acts of witchcraft
