

The Deposition of MARY WALCOTT aged about 17 years who testifieth
and saith that in the beginning of April 1692 there came to me a
woman which I did not know and ^{she} did most grievously torment me by
pricking and pinching me and she tolke me that her ^{name} was wildes and that
she lived at Toppsfeil and she continued hurting me most grievously
by times till the day of his examination which was the 22 day
of April 1692: and then I saw ~~that~~ sarah wildes was that very same
woman that tolke me his name was wildes and sarah wildes did most
grievously torment me during the time of his examination for when
ever she did but look upon me ~~or~~ she would strike me down or almost
choak me to death: also on the day of his examination I saw sarah
wildes or his appearance most grievously torment and afflicke me raylene
Abigail wilkins and Ann putnam by striking them down and almost
choaking them to death: also severall times sarah wildes has most
grievously tormented me with variety of tortor and I verily beleive
she is a most dreadful witch
